

Health Care Aide Challenge Certificate

Are you an “Uncertified Health Care Aide”? Proposed changes to the health care system may soon mean that you will need certification. **If you have worked as an uncertified Health Care Aide for a minimum of 1200 hours in the last 24 months, you are eligible!**

Proof of Non-Violent Crisis Intervention training (or be willing to take course) Certification can be taken through us at a reduced rate for participants.

Classes are from 6-9pm Monday and Thursday evenings; other arrangements can be made to accommodate training based on student need and instructor availability.

This letter is to confirm that, (employee name) _____ has completed (hours) _____; working as an uncertified Health Care Aide for the past 24 months at (facility name)_____.

Please have your employer check off the following skills that are part of your current role:
